## **ENGINE/BODY/TIRES/WHEELS/SHOCKS/FUEL:**

**Question:** Where do I purchase a Chevrolet Performance 602 engine and what is the cost?

**Answer:** The Chevrolet Performance 602 engine is available at Pace Performance (a division of Sweeney Chevrolet Buick GMC), our Series' branding sponsor. See [www.paceperformance.com](http://www.paceperformance.com). You can also contact any of our RUSH Authorized Repair Facilities for assistance.

**Question:** Does my "602 crate" need a RUSH seal before competing?

**Answer:** No. A RUSH seal will only be installed after an *approved* repair has been made. The original *UNALTERED* GM sealing bolts are legal, unless a repair has been made.

**Question:** What does a competitor have to do to maintain a legal engine in the RUSH Stock Car division?

**Answer:** There are several answers to that question. If you have a motor that is not new then the motor needs to have to appropriate RUSH seals. Only a RUSH-authorized repair outlet can conduct the sealing process. The authorized repair/rebuild facilities are listed on our website under the Engines/Tires link.

**Question:** Do I need to take my motor somewhere to have it sealed?

**Answer:** Motor needing repaired may only be taken to a RUSH-authorized repair outlet to be sealed.

**Question:** I think I'm having a problem with my Chevrolet Performance crate engine. What do I do first?

**Answer:** Read the Engine section in the rulebook. Contact a RUSH-authorized repair/rebuilt outlet of your choice to discuss your motor's problem.

**DO NOT REMOVE ANY OF THE GM SEALING BOLTS OR RUSH SEAL TAGS.**

**Question:** If I have a rebuild or repair made, what do I have to show to speedway officials that my motor has been RUSH-approved?

**Answer:** The RUSH seal will suffice, as detailed records of the engine repairs are maintained by both the RUSH Office and the RUSH authorized repair/rebuild outlet. Details include repairs that were made, seal serial numbers & locations, engine serial numbers, and date of manufacturer.

**Question:** If my motor has been officially sealed with RUSH seals, does this mean I'm exempt from any technical inspections at the track I race at?

**Answer:** No. You will be subjected to the same technical procedures as all of the other competitors.

**IMPORTANT TO NOTE: ANY VIOLATIONS FOUND CONCERNING ANY TAMPERING WITH THE STOCK GM SEALING BOLTS, OR APPROVED RUSH SEALS, IS SUBJECT TO IMMEDIATE PENALTY, FINE AND/OR UP TO ONE (CALENDAR) YEAR SUSPENSION FROM ANY RUSH-SANCTIONED EVENT OR TRACK. **Question:** Can I run my body that I have in years past in the Pro Stock division?

Also, Ontime Body & Graphic will award a \$50 bonus for any driver that wins with a past or present lettering scheme mirroring a national driver (NASCAR, World of Outlaws, Lucas Oil, etc.) **at Dog Hollow Speedway.
